We all know we should be saving more than we do. Experts suggest that we should all have three months' salary saved up to guard against rainy days.

Well now there's even more incentive to save, thanks to our PrizeSaver Account!

Coming Soon - Open Banking!

In response to feedback from members, there will soon be an improvement in the way you are able to send us your bank statements.

We will be introducing Open Banking, which means you can connect to your bank

Keep Your Personal Details Up To Date

We recommend that from time to time you review the personal details we hold about you and make sure that these are up to date.

It's easy enough to forget to update your details when things like your phone number change or

Not only does the account allow you to save on a regular basis, building your financial resilience, but you also have the chance to win prizes!

You can save from just £1 and each pound you save in the account, up to £200, gets you a ticket to a monthly draw. This carries a first prize of £5,000 and 20 runners-up prizes of £20.

Any Commsave member living in England, Scotland, or Wales can open a PrizeSaver Account so click the link below to open your account.

account and send us your statements securely and hassle free, without having to provide documents online or through the post. This will help us speed up our processes and provide you with a more streamlined and efficient service.

When asking for documentation for loans, we currently send you a text, which takes you to log in to your account where you can upload documents. There will soon be another option alongside this, where you can connect direct to your bank account through Open Banking.

We will also be introducing this to verify your bank details with us. So when you want to arrange withdrawals from your Commsave account to a new bank account, you can use Open Banking, saving you time and effort.

This will be available in the coming months, and we will keep you

when you move house.

To check the details we hold for you, simply login to the member area of the website and go to the 'loans and services' tab. If you are using the mobile app, you will need to select 'account management'.

Using the option to 'update personal information' you can see the information that is currently held about you.

If any of the information needs changing, simply update the relevant details and click 'submit'.
